Webb House Furnishers is celebrating 50 years of business with a Special Sale!

To celebrate our 50-year milestone we are excited to offer our best ever product range with the biggest savings! Huge discounts on all the top brands and even further savings with our special discount vouchers. We are excited to welcome all our customers to visit both our Mill Street store and brand-new Pepper Street Store. We now display over 17,000 sqft of showroom where you can find everything you need in Upholstery, Beds, Dining and Bedroom Furniture and a huge selection of unique accessories for the finishing detail to your home.

Our History

Founded by Howard Webb in 1974 as a small reupholstery shop in Crewe, the enterprise has grown into a beloved furniture retailer. Over the years, Webb House has transformed a charming 19th-century red brick building on Mill Street into an inviting showroom and expanded with a new branch on Pepper Street in Nantwich earlier this year.

As Webb House Furnishers celebrates its 50th anniversary, it's clear that this is more than just a shop - it's a showcase of a true family business, a place where passion, dedication, and a promise of exceptional furnishings have made Webb House a cherished part of Cheshire for the last 50 years.
